ROAD MAP

CONTACTS

Dear International Trading Company! Anno Danini Limited is a Russian transportation company based in Moscow, engaged in the delivery of goods and services from China to Russia and other countries. We offer a wide range of services, including air, sea, road, rail, and multimodal transport, as well as customs clearance, warehousing, and value-added services. Our mission is to provide reliable and efficient delivery solutions to our clients, ensuring timely delivery and minimizing costs. We are committed to maintaining high standards of service and safety, and we strive to build long-term relationships with our partners.

The website features a dark header with the company logo and navigation links. Below the header, there's a large banner with a truck and the text "DELIVERY OF GOODS FROM 15 KG". A section titled "THE MAIN DIRECTIONS OF THE COMPANY'S WORK" lists "Transportation services", "Dropshipping", "Redemption of goods", and "Consulting". A calculator tool is shown with fields for "User information" and "Estimated calculation of the cost of delivery".

Calculator for estimating the cost of delivery

Dear customer! We are pleased to inform you that we have developed a new service - an online calculator for estimating the cost of delivery. This calculator allows you to quickly and easily calculate the cost of delivery for your specific needs. Just enter the required information and get an approximate calculation of the cost of delivery.

The calculator interface includes sections for "User information", "Delivery options", and "Calculation results". It shows estimated delivery times (9-14 days), packing costs (\$340.00), cost of delivery (\$0.00), cost of insurance (\$0.00), and a total cost of \$408. Buttons for "SEND" and "FREE CONSULTATION" are present. To the right, there's a sidebar with links to Home, Catalog, Services, Cargo from China, Request, For partners, Help, and currency conversion between USD and RUB.

SEARCHING FOR DRIVING SCHOOLS

DRIVING SCHOOLS

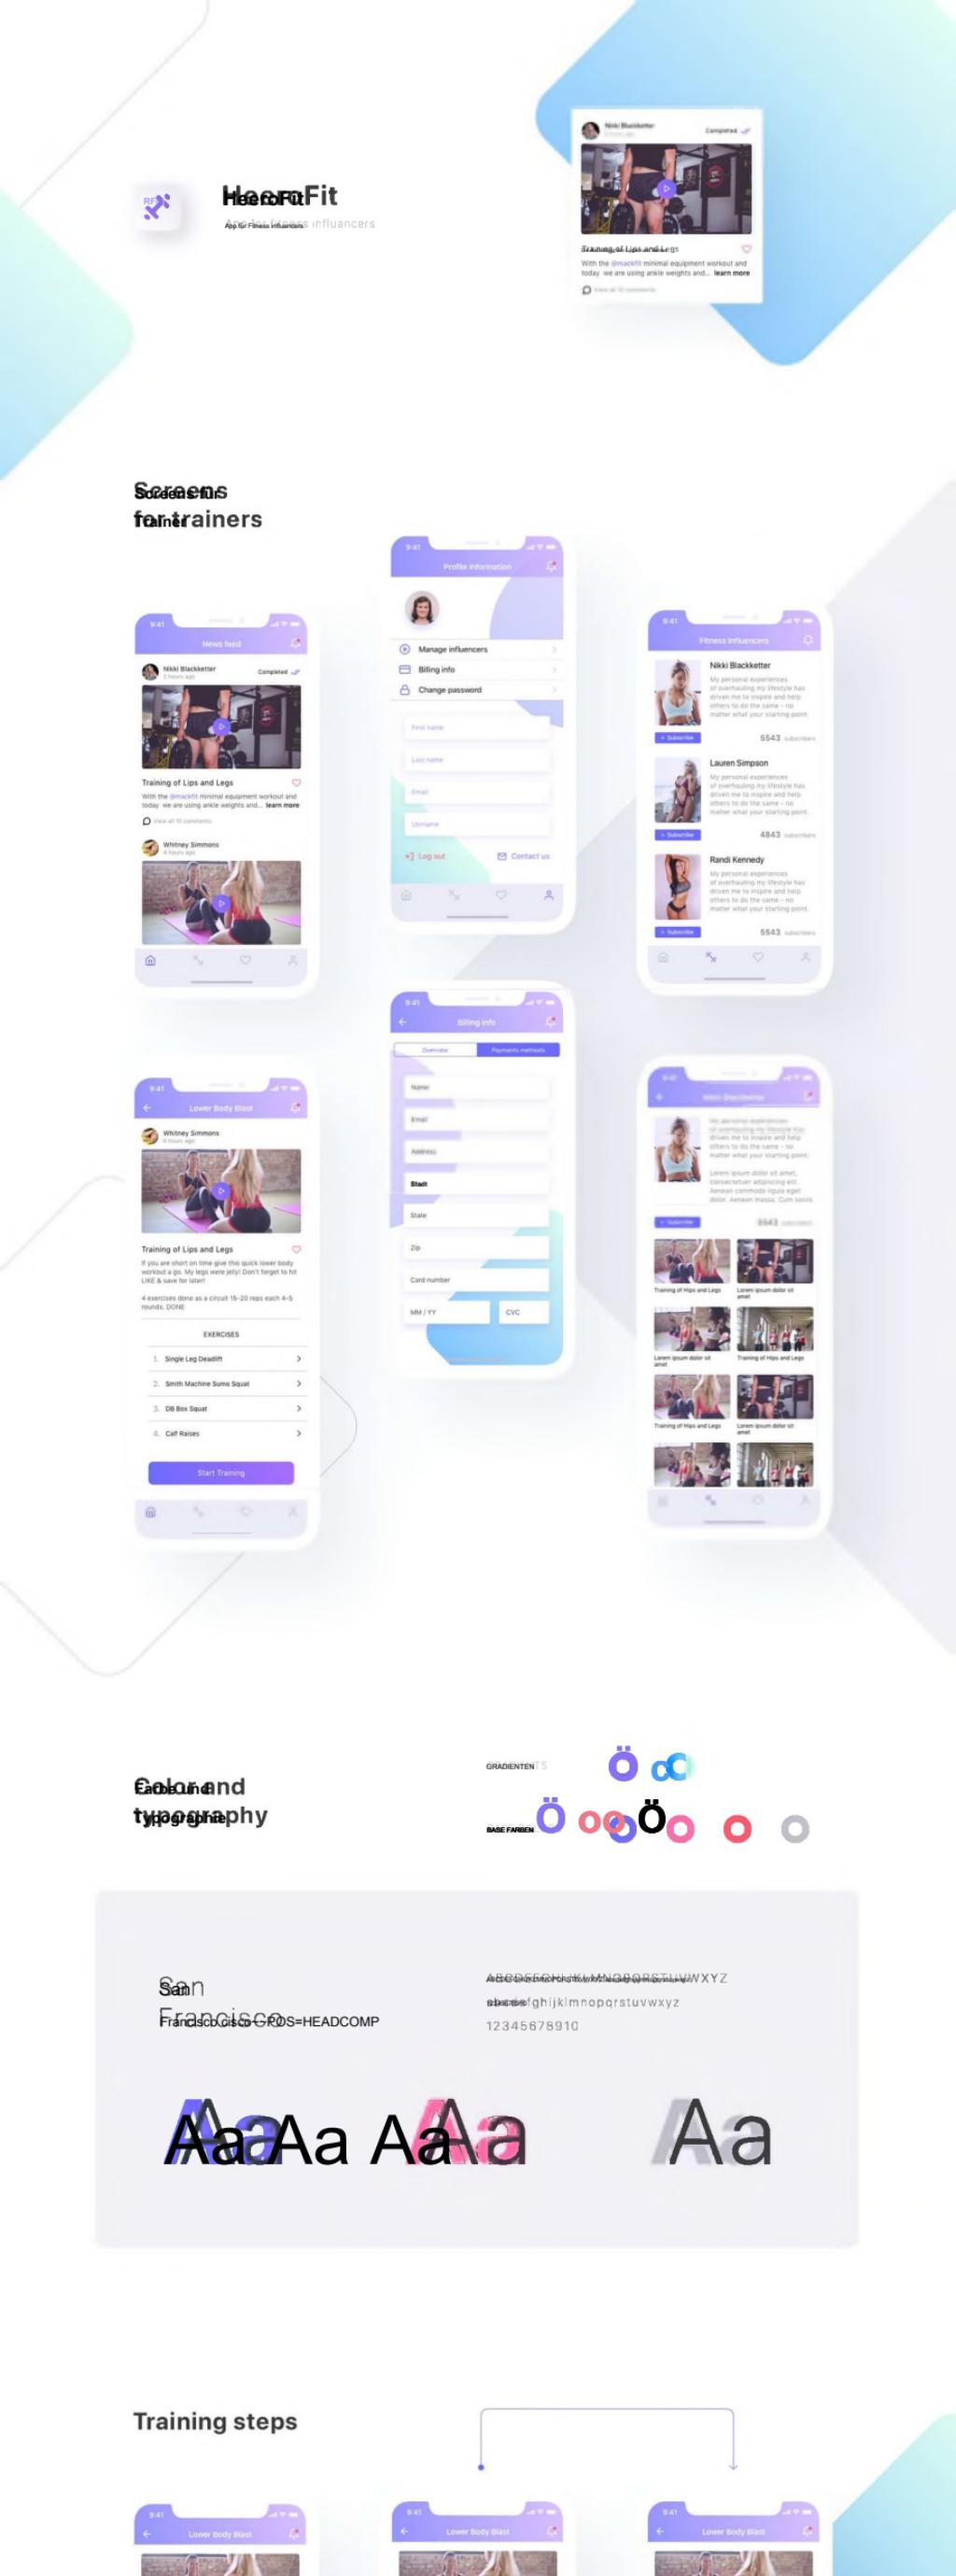

HOME PAGE

The screenshot shows the homepage of the Driving Schools website. At the top, there's a search bar with the placeholder "Columbus, OH". Below it, a map of the USA highlights Ohio. A sidebar on the right lists cities like Columbus, OH; Denver, CO; Lincoln, NE; Concord, NH; and Columbia, SC, with a "Search" button. The main content area features a banner with the text "FIND THE RIGHT DRIVING SCHOOL" and statistics: 2358 schools, 1156 licensed schools, and 500+ licensed instructors. Below this, a section titled "TOP-RATED SCHOOLS" shows thumbnail images of five schools: US ONE Driving School, Dickerson Driving School, Master Driver School, Road Master Driver School, and Drive Rite Academy. To the right, there are filters for "TYPE OF CLASS" (Car, Motorcycle, CDL) and a "YEARS IN BUSINESS" slider from 2 years to 14 years.

This screenshot shows the "LEAVE A REVIEW" section. It features a map of the USA with Ohio highlighted. Below the map, there's a "Find Schools" button. On the right, a modal window titled "Leave a Review for a Driving School" is open, prompting users to enter their name and review text. It also includes fields for "Type of class" and "Years in business". Below the modal, there's a "Reviews" section with several user reviews and a "Write a review" button.

This section displays color swatches and font samples. It includes a "Colors" section with three hex codes: E63946, 1D3557, and 457890. It also shows a "FONTS" section with two examples: "ANTON" in a bold red sans-serif font and "Roboto" in a smaller, regular red sans-serif font.

The screenshot shows the mobile version of the Driving Schools website. It features a large map of the USA with Ohio highlighted. Below the map, there's a search bar with "Columbus, OH" and a "Filter" button. The main content area shows a listing for "DICKERSON DRIVING SCHOOL" with a thumbnail image of a car, a brief description, and a "View Listing" button. To the right, there's a sidebar with "FILTERS" for "TYPE OF CLASS" (Car, Motorcycle, CDL), "YEARS IN BUSINESS" (2 years - 14 years), and "LANGUAGE" (English, Spanish). The bottom right corner has a "THANKS FOR WATCHING" message.

IAN RISC

Find the best regions to invest in

IAN RISC is a database which uses high-resolution geospatial data to generate a profile of a site area or supply chain. This profile indicates where tenure risk is likely to cause problems and it has applications for risk professionals in sectors. In addition, it can be adapted to identify a broad range of leading environmental, social and governance (ESG) risks.

IAN RISC provides the business-oriented analysis of hundreds of problematic cases studies in emerging and frontier markets. On the basis of this evidence, IAN RISC offers practical implementation-ready processes that help companies and investors to counter tenure risk at each stage of the project lifecycle.
