looking for decent alternatives

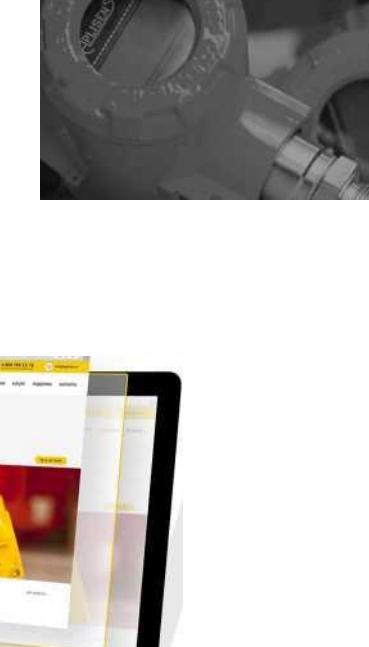

The screenshot shows a virtual try-on session for a pair of glasses. The top half displays a camera view with a bounding box around the user's face. The bottom half shows a preview of the glasses on the user's face. On the left, there is a sidebar with various icons and a search bar labeled 'Найти' (Search). Below the search bar, there are sections for 'Магазины' (Stores) and 'Сравнение' (Comparison). At the bottom, there are three options: 'Попробовать' (Try on), 'Сравнить' (Compare), and 'Добавить в корзину' (Add to cart). The overall interface is clean and modern, designed for a mobile device.

The system is calculating referrer's bonus

07.05.2017 00:49

Anna Banana

Recently I decided to re-register my acquaintance in your system in order to earn more. They registered, but in the

list of my referrals was empty, and it remains.

Help me please! I want to receive these bonuses.

Anna Banana

Good afternoon, Anna Banana,

Tell me please did you click to your friends' referral links, according to which they had to register without these links,

because such a record always please? Please help!

Useful numbers

Permyssion - is service where you can manage all of your sources of income and expenses and saw statistics by every source.

Also, it provides protected storage for documents which can be organized by categories.

Purpose of the project was to create easy and understandable UI for service users when all information will be available without extra clicks.

Next section to update:
